- Remember, with Christmas and summer holidays rapidly approaching, that we'll be issuing your December and January rewards in February 2012 (just like we've done in previous years).
- A big thanks to everyone that attended the Escea product training series in Dunedin, Christchurch, Wellington and Auckland. We hope that you found the sessions informative.

Feed the troops

100 supermarket voucher prizes of \$100 to be won this summer with **Contact Rockgas LPG**

Feed the troops!

You can't beat summer. Long hot days. Sausages sizzling on the barbie. But with plenty of hungry family and friends around, the fridge can take a hammering.

So here's a promotion to help feed the troops – put yourself in line to win your share of over \$10,000 worth of supermarket vouchers every time you fill up your 9kg gas bottle with Contact Rockgas LPG.

This promotion runs from **1 December 2011 to 31 March 2012**. There are heaps of chances to win, so make sure you fire up the barbie this summer with Contact Rockgas LPG.

Here's how it works. We'll give you a unique code with every 9kg fill (must be over 7kg). Using your unique code, you then go online, and use your details to reveal a scratch card (because everyone loves a scratchie!). Use your cursor to reveal what's behind – you could be in to win your share of over \$10,000 worth of supermarket vouchers. Plus you will be entered in the draw to win a \$500 supermarket voucher!

Visit www.contactenergy.co.nz/feedthetroops for full terms and conditions.

It pays to fuel up with Contact Rockgas Auto LPG

The Contact Rockgas Auto LPG Fuel Card is a convenient way to buy discounted Contact Rockgas Auto LPG from any of the 200+ service stations nationwide (including Caltex, Challenge and Mobil sites) supplied by Contact. You can use it to get significant savings on the recommended retail Auto LPG price by paying with the Fuel Card – like a personalised charge card. You also have the option to pay your Auto LPG Fuel Card account by fortnightly or monthly direct debit.

Sound good?

Well it gets even better! From 1 November 2011 to 30 June 2012 there are **10 chances to win a \$100 Fuel Card account credit each month** just by filling up with Contact Rockgas Auto LPG. The more Auto LPG you purchase on your Auto LPG card the more chances you have to win!

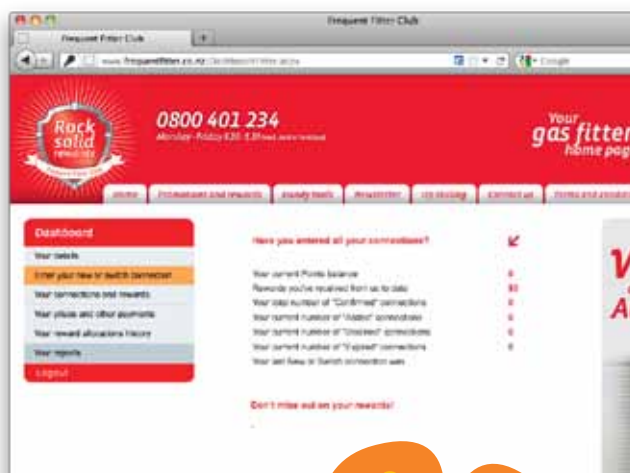

Here's how it works:

Once you've called 0800 807 300 for your application pack, completed it and have received your Contact Rockgas Auto LPG Fuel Card:

- 1 Text 'Fuelcard' along with your account number to 226
- 2 Fill up at any Contact Rockgas Auto LPG site. Check the list at www.contactenergy.co.nz/refuel
- 3 Use your Contact Rockgas Auto LPG Fuel Card to pay for your fuel. Remember, for every 100 litres you buy using your Auto LPG Fuel Card you'll get one entry into that month's draw.

Looking good!

The new FFC website has launched with a smarter, streamlined look. As well as the new look we've tinkered with the menu so logging your new or switch connections should be a breeze! However, if you need help then give us a call on 0800 401 234, option 3, and we'll talk you through it!
